

Wayside

RECOVERY CENTER

In-Kind Giving Wishlist

Wayside serves over 700 women and their 300 children annually. As our women are establishing their new life in recovery, they are in need of many basic needs items during and after treatment. Please consider supporting our women and their families by donating items from our wish list. All items must be new/lightly used, and alcohol free. Call 952-926-5626 to arrange item drop-off. Thank you! Feel free to directly donate from our Target Registry: <https://www.target.com/gift-registry/gift/wayside-recovery-center-donation>
